SUMMARY

As a Front-End Developer with 3 years of hands-on experience, I specialize in designing and developing responsive, user-centered websites. I'm proficient in React, with strong skills in HTML, CSS/SASS, and accessibility best practices. I'm passionate about crafting clean, intuitive interfaces, optimizing performance, and staying up to date with the latest front-end development trends and tools.

SKILLS

- **Languages:** HTML5, CSS, JavaScript, TypeScript
- **Frameworks:** React, Next.js
- **Tools & Tech:** Git, REST APIs, Axios, Tailwind CSS, Bootstrap
- **Other:** Figma, Chrome DevTools, Jira, Visual Studio Code, Power Automate
